

AIRBNB- SELLING BELONGING , NOT BEDS

TRAVELLING IS FUN BUT AFTER REACHING PLACE MANY PROBLEMS COME. OFFLINE BOOKING IS NOT SAFE AND OPTIONS ARE LESS. PEOPLE DONT GET ROOMS AS THEY WANT. SOME HOTELS DONT HAVE BASIC NEEDS. AND MANY LOCAL OWNERS ALSO DONT GET GUESTS. TRUST IS MAIN PROBLEM BETWEEN BOTH. AIRBNB CAME AS MARKETPLACE BUT IN START IT ALSO FACED LOW TRUST AND CONFUSION. THEN IT CHANGED THE STORY FROM BOOK A PLACE TO BELONG ANYWHERE.

PART-1.

CURRENT STORY IS ABOUT FEELING LIKE YOU BELONG IN ANY PLACE AND NOT JUST STAY BUT EXPERIENCE. GUEST IS THE HERO BECAUSE THEY TRAVEL AND WANT SAFETY COMFORT AND FREEDOM. AIRBNB IS HELPING THEM FEEL LIKE HOME. BUT CUSTOMERS STILL DONT FULLY TRUST AND THEY WORRY ABOUT PRIVACY AND SAFETY. HOTELS ALSO GIVE COMFORT SO DIFFERENCE IS NOT VERY CLEAR. HOST SIDE IS ALSO IMPORTANT BECAUSE IF HOST TRUST PLATFORM THEY GIVE BETTER OPTIONS. AIRBNB SHOULD IMPROVE MATCHING BETWEEN USER NEED AND LOCATION AND GIVE MORE CLEAR DETAILS BEFORE BOOKING.

PART-2.

NEW STORY IS YOUR HOME KEEP YOUR RULES. NOW HERO IS BOTH GUEST AND HOST. GUEST FEEL CONTROL AND COMFORT AND THEY CAN CHOOSE PLACE BASED ON THEIR NEED AND FEEL SAFE LIKE THEIR OWN SPACE. HOST ALSO FEEL SAFE BECAUSE THEY CAN SET RULES AND CONTROL THEIR PROPERTY. THIS BUILDS TRUST ON BOTH SIDE AND CREATES BALANCE BETWEEN FREEDOM AND SAFETY. THIS ALSO CHANGES IMAGE FROM CHEAP STAY TO PERSONAL EXPERIENCE AND CAN INCREASE BOOKINGS AND REPEAT USERS.

PART-3.

I CHOOSE GUEST POV BECAUSE GUEST IS THE ONE WHO DECIDES TO BOOK OR NOT. IF GUEST TRUST PLATFORM THEN ONLY GROWTH WILL HAPPEN. GUEST THINK ABOUT SAFETY LOCATION PRICE AND EXPERIENCE. IF GUEST IS HAPPY THEY WILL GIVE REVIEWS AND BRING MORE USERS. HOST ALSO GET BENEFIT IF GUEST DEMAND INCREASE SO GUEST POV IS MOST POWERFUL.

PART-4.

HOME PAGE SHOULD SHOW CLEAR MESSAGE YOUR HOME KEEP YOUR RULES AND FOCUS ON TRUST AND SAFETY. LISTING PAGE SHOULD HAVE CLEAR DETAILS ABOUT RULES LOCATION AND DISTANCE AND WHAT IS INCLUDED. IMAGES SHOULD BE REAL AND SHOW ALL AREAS LIKE ROOM KITCHEN AND BATHROOM. ONBOARDING SHOULD ASK SIMPLE QUESTIONS LIKE LOCATION BUDGET AND PEOPLE AND GIVE RECOMMENDATIONS. TRUST SIGNALS SHOULD SHOW VERIFIED HOST REAL REVIEWS ID CHECK RESPONSE TIME AND CLEAR CANCELLATION POLICY.

PART-5.

ONCE THERE WAS A TRAVELLER WHO WAS NOT SURE WHERE TO STAY. EVERY TIME THEY TRAVEL THEY FEEL CONFUSED AND UNSAFE. THEY TRY HOTELS BUT NOT ALWAYS COMFORTABLE. ONE DAY THEY FOUND A PLACE WHERE THEY CAN FEEL LIKE HOME AND CHOOSE THEIR OWN RULES. THEY FEEL SAFE AND HAPPY AND START TRUSTING IT. NOW THEY CAN TRAVEL ANYWHERE WITHOUT FEAR AND ALSO TELL OTHERS.

PART-6.

PEOPLE WANT FEELING OF HOME NOT JUST ROOM. TRUST AND SAFETY IS MOST IMPORTANT. CLEAR INFORMATION REDUCES FEAR. CONTROL FOR BOTH HOST AND GUEST IS NEEDED. GOOD EXPERIENCE BRINGS MORE USERS. EMOTIONAL CONNECT MAKES USERS STAY LONG. STORY CHANGED HOW PEOPLE THINK AND THIS HELPED AIRBNB GROW.
